

dicha necesidad. Por ejemplo, si el usuario recurre a Twitter para recomendaciones sobre nuevos equipos o diferencia entre modelos, Movistar podría publicar guías o reseñas de algunos modelos.

En cuanto a la publicación de contenidos que no son sobre tecnología y publicitan información de otros servicios se podría crear un hashtag exclusivo similar a XSmart y posicionarlo entre sus usuarios como lo hicieron con XSmart. También ayudaría a que estos tweets sean más virales si se hace livestream de eventos importantes (premiaciones).
